Notice! Notice! Notice! Notice!

HAVING seen by the Standard and SENTINEL of 5th, that the Yarborough House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was done when he expected to be the Proprietor and retain this as he expressed it, for his first class boarders, and send his second class to the Yarborough. The trouble was he had to go there himself.

To do justice to the owners of this property, my customers and myself, I will say that let the public simply give the house a trial, and they will say no neater, cleaner, better kept house can be found in the South or North.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 18th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

I am agent for Mebegan's celebrated brand of the Banker's Segar which need the praise for cheapness and fine flavor and can be found no where else in the State, than here. # THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, MARCH 28, 1870.

### *ADDRESS FROM MEMBERS OF THE LEGISLATURE.*

The Conservative members of the Legislature have issued an address to the people of North Carolina, which appears in the SENTINEL to day.

We have twenty thousand copies of this Address for distribution among the people. We believe it speaks the sentiments and views of every Conservative man in the State.

It is just and encouraging to the colored race, who are now beginning to find out that it is the Conservative white men who are most willing and able to help them in the ways and means of making a living, as well as in building Churches and establishing schools. Let the address be circulated. We commend it to the people of the State as an able, dignified and temperate State paper, worthy of the men who sign it and the people who are to read it.

### *GENERAL CLINGMAN DENOUNCED.*

Sometime ago Moore, of Yancey, not Chowan, rose to a question of privilege and denounced General Clingman as a scoundrel. Moore did not know that Littlefield, for six months past, has had the General in keeping, or he would not have denounced him as he did.

Littlefield announced, four months ago, that Gen. Clingman would have his disabilities removed and be a candidate for Congress. Littlefield electioneered for the removal of the General's disabilities upon the ground that he was a Republican, or would co-operate with the party. We hear that the General, not satisfied with the late address, has left another address, letter, or paper for publication.

The General's address fell still-born from the *Standard* press, and has utterly failed to sow the intended seeds of discontent among the people. The General is like Holden and the devil; when he sets his head on mischief he is sure to do something. We think old age and that decrepitude which belongs to years, together with the distrust with which the people look upon him, will prevent his doing much mischief. We don't think, so long as the General's Fox letter stands against him, he will ever exercise much influence in North Carolina. If Governor Holden wishes to make much use of the General, he should make him recant his Fox letter and renounce his old ideas of government, namely, that government was only a copartnership, such as merchants enter into for the sale of pepper, coffee and calico, and to be dissolved when any one of the copartners got drunk, lazy, or tired of the firm. We say, the Governor must make the General correct these old false notions of government, before he can make him useful, or cease to make him odious to the people of the State.

A suppression of the truth is equivalent to a falsehood, and therefore we must not omit the fact that Moore denounced the Editor of the SENTINEL at the same time he did General Clingman. He denounced the editor as a "liar" because he called him (Moore) a deserter.

Moore's account of himself is, that he served as a volunteer for some months in the Confederate army, he then moved, or deserted, to Tennessee, and served as a volunteer in the Federal army. We verily thought this made him a deserter, and we are willing to leave it to the Governor's son in law, Lewis, the Attorney General, to say if it is not so.

Now that Mrs. Oates and her troupe are gone, and the Legislature soon will be, we shall endeavor to increase and diversify the amusement of the city by asking Gen. Clingman a few questions in behalf of the "Ring;" what he got for lobbying bills through for them, and why he did not, as a Railroad Director, call on Swepson and force him to a settlement at the last annual meeting, when Littlefield was elected in Swepson's place!

The General must give an account of his "Ring" transactions to the people before he undertakes to instruct them in loyalty and Holdenism.

---

The SENTINEL says the only way under heaven to stop the depredations in the lawless counties is to have an understanding between the King of the Ku Klux, and the President of the League. The *Standard* says, very well give us the name of the King of the Ku Klux, and we will give you the name of the President of the League. And the SENTINEL sloped.—Didn't come to time. Thus endeth that chapter.—*Newbern Times.*

Now, that is too bad! While we are boyed by, and engaged in battling against the bull-dog of the *Standard*, to have the *fice dog* of the *Times* yelping at us, is annoying in the extreme. Won't somebody drive him off!

---

SEMI-WEEKLY.—The Asheville *Pioneer* has come out as a semi-Weekly, in consequence of the encouragement it has received and its great desire to promote the interest of Radicalism. We are sorry to see that the change has not affected its propensity to pervert facts, for in the first issue it declares that "six months ago the Democracy were prophesying that Holden was coming over to their party," which is untrue. It was the Rutherford *Star* which prophesied that as his next change, indeed that he had already changed, but the Democracy would not agree to take him.

---

THE "JOLLIFICATION" which came off at Tucker Hall on last Thursday night didn't appear "jolly" as we have seen crowds, although "much enthusiasm prevailed."

## ADDRESS
### TO THE
### PEOPLE OF NORTH CAROLINA.

The undersigned Conservative members of the General Assembly, upon the eve of their return to you, beg leave to suggest a few matters for your consideration, believing, as they do, that they bear directly upon the welfare of the State. We have a great struggle before us in the approaching August election, a struggle with a foe before whose massed columns our banner has twice gone down. What disasters to the State have followed these defeats, we will not stop to recount here; the story is but too familiar to you, we but desire to advise you to that course which seems best to us, for ridding our State forever from the calamitous rule of the Radical party.—This Radical party, in the General Assembly, have been, at last, though reluctantly, forced, by the potent voice of public opinion, to grant, what the State Constitution rightly construed, already secured to you: a popular election on the first Thursday in August next. Esteeming the free exercise of the ballot as they do, one of the most sacred rights of freemen, all of our people, without regard to party, condition or color, will receive the announcement with pleasure. The right of the people to rigidly scrutinize the acts of their Representatives, and to correct all abuses of power by the peaceful remedy of the ballot box, is one which freemen should never indifferently exercise or tamely surrender. The election in August next, although confined to the choice of members of Congress, members of the next General Assembly, the various county officers and an Attorney General, is one of sufficient importance to call out every voter, and to actively enlist the energies and time of every lover of the State.

The dominant party are organizing thoroughly for the approaching campaign, and you imperil every important interest of the State if you flatter yourselves with the hope that it will surrender the government without a desperate struggle. We feel confident that an equally zealous and determined effort on the part of the Conservative people of the State, will insure them a thrice glorious victory in August next.—But to achieve it, they must be united and thoroughly harmonious. In the presence of a determined enemy we cannot afford to divide among ourselves. The past glories or defeats of old political organizations should be among the things of the past. In the battle we are about to join against Radicalism, reckless extravagance, corruption, swindling, imbecility and partizan tyranny, why should we stop to enquire whether our leaders were in the past, Whigs, Democrats, Unionists or secessionists, so they but lead us to victory and save us from a defeat, the result of which would be nothing less than absolute ruin to the State! That man who now attempts to exhume the buried past, to revive the prejudices born of issues long since dead, and which *ought* to be forgotten, will, intentionally or unintentionally, contribute to the strength of our common enemy. Let the bickerings of the past be hushed; let us rise above the dwarfed idea that would lead us to enquire what a man's politics were in the past; let us but ask, is he an opponent of Radicalism, is he honest, is he competent? Upon this broad and elevated platform you can invite the good of all parties and races to join you against that party, which has levied and collected taxes, without stint, with one hand and scattered them with wild extravagance with the other; that has introduced into our Hall of Legislation, corruption hitherto unheard of there; that has elevated to positions of trust and profit, men wholly unworthy of confidence, that has altered and confused our laws until the administration of justice has become costly, and its attainment uncertain; that has sought to subordinate the civil administration to military power by proclamation of martial law and petitions to Congress for the suspension of the writ of *habeas corpus*; that has more than doubled the current expenses of the State Government; that has enormously increased the State debt; that has ruined the credit of the State; that has cast a foul blot upon her hitherto fair escutcheon, and that for want of statesmanship, and for utter disregard of the necessities of the people, is without a parallel in the history of this or any other State. With such a cause as ours, against such a party, the undivided ranks of conservatism must prevail.

In the last contest in this State, the principal issue was upon the question of colored suffrage and the civil rights of the colored race. That matter has been decided upon a solemn appeal, by the people of the United States. The guarantee of their rights, has now become a part of the Constitution. To that Constitution we have ever been willing to defer, to the laws made in pursuance of it, we yield, and ever have yielded a ready obedience.

The reconstruction acts of Congress, with the civil and political rights they confer on the colored race, we regard as a finality. We accept them in good faith. We are one of the States of the Union. Let us seek to forget the bitterness of the past, to build up the places made waste by the unfortunate war, and to promote the harmony and prosperity of all sections of our great country.

The colored man now enjoys the same political and civil rights as the white man. We accept his status as fixed by the Constitution of this State and the United States in good faith. We regard it as a final settlement of the question. It now becomes our duty as good citizens to elevate him morally and intellectually.

The Chief Magistrate of this State, the head and front of Radicalism, has seen fit to declare one of our counties in a state of insurrection, and to call upon Congress to suspend the writ of *habeas corpus* throughout the State. We declare there is no sufficient cause for this extraordinary action of Governor Holden. There is and has been no armed resistance. No uprising of the people. No outbreaks to disturb or hinder the full administration of the civil law. We assert that there is not a county in the State, in which any Sheriff or other peace officer may not go unattended, and with perfect safety, and execute any process upon any citizen of the State. It is true that murders and other outrages have been committed, but they have not been confined to any particular locality, or any political party, and when Gov. Holden represents to the President and to Congress that these acts are evidences of disloyalty, he is guilty of a wilful libel upon a people, whose rights he has sworn to protect. When he seeks to convince the Federal authorities that these violaters of the law, receive aid, countenance, or encouragement from the Conservative party of the State, he knows that his allegations are unfounded, and that he perpetrates a great wickedness, purely in the interest of a political party. He hopes by magnifying these outrages, by giving them the appearance of disloyalty on the part of our people, to procure the aid of Federal troops in overawing them in the next election. And he further hopes to wreak vengeance on his political opponents through the agency of courts martial hedged in by bayonets. Surely there never was so base a betrayal of a people by their Chief Executive officer. We denounce crime wherever and by whomsoever committed, be the perpetrators white or black, Loyal Leaguers or Ku Klux, if such organizations exist; and we here declare them enemies of society and wicked ministers to that spirit of lawlessness and contempt of the forms of law from which our unhappy country has suffered so much under Radical rule. Secret political organizations are productive only of evil, let them, at once, be disbanded, and let men succeed at elections, upon their merits and not by force of a terrorism exercised over their oath-bound confederates. That man who upon his own impulse, or in obedience to the mandates of others, seeks to punish crime without due course of law, himself becomes a criminal. If crimes are to be punished, if wrongs are to be avenged, the Court House should be the place, and day light the time. It has ever been the boast of our people, even in our country's darkest hour, that they appeal for protection only to the guarantees of the constitution and to the forms of the civil law. It was reserved for the Radical party, in violation of this great principle of civil liberty, to drag men and women from their homes, try, convict and punish them, without due course of law. Emulate not their wickedness. Our hope for the security of life, liberty and property is in a strict obedience to law. The peace, harmony, and good of Society require that every man should feel secure in these inalienable rights. Let the power of public opinion, more potent than an army of bayonets, be brought to bear in unmistakable terms to put down those who would recklessly disturb the peace of society. When this is done, there will remain no pretext for that abandoned wickedness which would make the crimes of a few men a pretext for depriving the whole people of a whole State of the protection of the writ of the *Habeas Corpus*.

In order to make success doubly sure, organization is absolutely necessary. The Executive Committee appointed at your last political Convention in 1868, feel that their powers expired with the campaign of that year, and as we understand, will act no longer. We therefore suggest the following gentlemen as an executive Committee of the State during the coming campaign:

CENTRAL EXECUTIVE COMMITTEE.

Thomas Bragg, M. A. Bledsoe, A. S. Merrimon, John C. Gorman, J. Q. DeCarteret, R. H. Battle, Jr. R. B. Haywood and J. H. Moore.

CONGRESSIONAL DISTRICTS.

1ST DISTRICT.

Chas. Latham Esq. of Washington.
Col. D. M. Carter of Beaufort.
Genl. M. W. Ransom of Northampton.

2ND DISTRICT.

W. G. Morisey Esq. of Wayne.
Col. Thos. S Keuna of Wilson.
John Hughes Esq. of Craven.

3RD DISTRICT.

Maj. J. A. Engelhard of New Hanover.
A. A. McKoy Esq. of Sampson.
Col. T. C. Fuller of Cumberland.

4TH DISTRICT.

J. S. Amis Esq. of Granville.
E. H. Plummer Esq. of Warren.
R. W. Yorke Esq. of Chatham.

5TH DISTRICT.

Gen. A. M. Scales of Rockingham.
Col. J. T. Morehead of Guilford.
M. S. Robbins of Randolph.

6TH DISTRICT.

John E. Browne Esq. of Mecklenburg.
R. F. Armfield Esq. of Wilkes.
David Schenck Esq. of Lincoln.

7TH DISTRICT.

A. C. Avery Esq. of Burke.
W. M. Cocke Esq. of Buncombe.
Jas. R. Love Esq. of Jackson.

In these gentlemen the people of the State have confidence. We urge them to enter at once actively upon the discharge of their duties. Let the Executive Committees of the different Congressional Districts correspond with the Central Executive Committee so that every section of the State may be heard in the conduct of the campaign. We have been the more induced to pursue this course in appointing the State Executive Committee, and in urging them to act promptly, in view of the fact that we deem a State political Convention unnecessary. The already united determination of our people to overthrow Radicalism, in our opinion, makes the call of a Convention useless. Their impoverished condition makes it impolitic. We therefore request the State Executive Committee, composed of the Central Committee and the Executive Committees of the Congressional Districts, to meet in the city of Raleigh either in person or by proxy, on the 15th day of June next, for the purpose of recommending a candidate for the office of Attorney General of the State, unless in their wisdom they should deem an earlier meeting or a different course prudent.

Your county organizations should be perfected as speedily as possible. Let three young, active, energetic men be appointed in each township of each county, to see that the opponents of Radicalism are fully organized. Let the township canvassers report at proper times to a County Executive Committee, whose duty it shall be to supervise the canvass of their county. Let the County Executive Committee report regularly to the "Central Executive Committee" at the city of Raleigh, who will furnish from the records of the Radical party succinct documents showing the waste of the people's money. Let the Congressional Executive Committees designate the time and place of holding the different district Conventions. In the selection of candidates let eligible men be selected, let self be lost sight of; let the good of the State be your aim, and success your battle cry. Let all the elements opposed to Radicalism be organized into one solid irresistible column. Let the grand army that is to overthrow Radicalism unfurl its banner; let the mighty hosts be marshaled; let the camp fires be lighted; let every discordant feeling be hushed, and with serried ranks, shoulder to shoulder, let it march with triumphant tread to a glorious victory.

The following extracts from certificates received from those who used it last year upon Cotton will have the effect to remove the prejudice produced by the use of manufactured fertilizers, and give confidence in this home made article.
H. Leberman, Esq., of Bertie county N. C., writes: "I have used your Phosphate Fish Guano in equal quantities side by side with Peruvian Guano and found the product much in favor of your article, the weed was larger, Cotton heavier and the plant kept green through the dry summer."

## CITY AND STATE ITEMS.

MONDAY, MARCH 28, 1870.

By Thos. N. Ramsay, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Rubini.—At Tucker Hall to-night and to-morrow night magic, slight of hand and distribution of gifts. For particulars see small bills.

Fire.—The Plank kiln at the machine shop of Messrs. Betts, Vaughan & Allen, in this city, accidentally caught on fire, on Friday night last, by which lumber to the value of some hundred and fifty dollars was destroyed.

We have not room to day to allude to the grand rally and successful efforts of our gallant fire companies, especially the Hook and Ladders but will try to do so to-morrow.

Thanks.—We desire to return our thanks to our friends for the assistance rendered to us in the late fire when our Plank Kiln was burned. Respectfully,

Betts, Vaughn & Allen.

Dwelling Burned.—The residence of Mrs. J. R. J. Daniel, in Halifax county, was destroyed by fire one day last week, the result of accident.

Brignoli Opera Troupe.—It is scarcely necessary that we should do more than call attention to the fact that the Brignoli Opera Troupe, with which is Miss McCulloch, a native of Columbia, S. C., will give a Concert at Tucker Hall, on Wednesday night. The sale of seats commences to-day at the Book store of Mr. Alfred Williams.

Of Signor P. Brignoli as an artist it is unnecessary to say anything in praise, as our people, most of them, heard him on the occasion of his former visit to Raleigh.

Miss McCulloch is represented as of attractive person and having a most musical and well controled voice. She has created considerable sensation in the musical world wherever she has appeared, and now occupies a place in the galaxy of "bright particular stars" in the heaven of song.

The Concert Friday Night.—We went. We enjoyed it. There was a large crowd present, and they all enjoyed it.—We wish we could do it justice in a local notice, but we cannot.

We are glad to see this awakening spirit on the subject of music in our State, and hope that this initiatory effort may be but the precursor of many other like pleasant and improving occasions.

But to the Concert. And, now, we don't know where to begin. The scene on the stage—(we might as well out with it at once)—the *ladies* on the stage were pretty and becomingly dressed; the gentlemen were good looking. They all sang well, and many pieces were *encored*.

Among the pieces that pleased us best were: Solo, "The Wanderer," by Mrs. H. of Greensboro; Solo, "The Day is done," by Maj. J. C. Mann of Wilmington; Duett, Robin Ruff and Gaffer Green, Messrs. Mann and Allen; Quartette, "Hear me, O Father," by Mrs. H. and Mrs. A. of Greensboro, and Messrs. Mann and Allen; "Rock of Ages," Mrs. A. and Miss L. of Greensboro, and Messrs. Heartt and Primrose of Raleigh.

During several of these pieces, Mrs. W. of Greensboro, presided at the piano; she is a very graceful performer. "Only Waiting," by Messrs. Wilson and Mr. Coleman; Hymn Anthem, "Guide me, O thou great Jehovah," by Miss D. and Mrs. D. of Raleigh and Mr. Courtney with some members of the Raleigh Baptist choir; Fantasia, piano, six hands, Misses J. of Granville and Miss C. of Raleigh; Guitar duett, Misses J. of Granville.

Among the anthems we notice as beautifully rendered, "O, clap your hands, all ye people," "Glory to God on high," and "Hark, the song of Jubilee."

The glees, We hail the glad Spring time, The Fountain, Our Fairy Queen, Katy Did and Katy Didn't, The Sleigh Ride and the Bird Carol, were all spiritedly sung, but the song (comic) which brought down the house, was "Johnny Shmoker," a Dutch song and pantomime.

At the close, Mr. Courtney was vociferously called out and requested to sing the "White Squall," which he did in his happiest style.

Before the final adjournment, resolutions of thanks were adopted to Prof. Allen, of New York, to the Railroad Companies, to Messrs. Biglow and Main for Books, and to the Directors of the D. & D. Asylum for the use of the Chapel of that Institution.

*MASON AND HAMLIN ORGANS.*

The Mason and Hamlin Organ Company have just issued what they term a Testimony Circular, which is certainly remarkable as presenting such an amount of testimony to the excellence of their instruments. It contains six large newspaper pages, closely printed, and thus includes as much matter as an ordinary duodecimo volume. Nearly one thousand persons, most of them experts in the matter, testify to the rare excellence of the cabinet organs made by this company. The character of the testimony is indeed quite as remarkable as its quantity. Nearly all the most prominent musicians in the country are quoted; the principal organists, pianists, and teachers of chief American cities are among those who say that these are the best among instruments of the class. A number of well-known European artists testify to the same effect. Extracts are given from Paris and London papers which admit that these organs are superior to those of European make. American newspapers are equally emphatic. But what is, perhaps, even more satisfactory, is the testimony of hundreds who have these organs in use, as to their working qualities. After looking over such a mass of testimony, one cannot well doubt that the reputation of this company is richly deserved. By sending his address to the Mason and Hamlin Organ Co., 154 Tremont street, Boston, or 596 Broadway, New York, any one can have a copy of this circular sent him gratuitously, postage paid.—*N. Y. Evangelist.*

**Reasons Why**

You should use LUTT'S IMPROVED LIQUID HAIR DYE.

Because the Barbers say it is the best.
Because it imparts a natural color.
Because it does not injure the hair.
Because it leaves the hair soft and glossy.
Because it does not stain the skin or bed linen.
Because its application is simple and easy.
Because its effect is instantaneous.
Because it is the best in the world.

**SOUTHERN LIFE INSURANCE CO.**

TO THE PEOPLE OF NORTH CAROLINA.

At the request of General Justus H. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home*. By careful calculation it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South to the North for Life Insurance and unless checked will surely prove suicidal to our interests. We ask you to consider how greatly the material interest of this section would be benefited by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but, every dollar of premium (less expenses) is invested in the State from which it is derived.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Some of the most prominent gentlemen in these States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of strangers? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States, its ratio of assets to liabilities *the only true test of a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of Reference in this State and others.

J. H. MILLER,

**P. F. PESCUD,**

General Agent for North Carolina,

WHY THE

**LIFE INSURANCE COMPANY,**

OF THE

UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has issued nearly

**10,000 POLICIES,**

HAS A CASH CAPITAL OF

**$1,000,000,**

which was all paid in before a Policy was issued and which has already increased, fifty per cent. All the losses reported to 1st Jan'y last amounted to but $49,000, and as a further evidence of the great care observed in the selection of risks, 924 applications amounting to nearly $3,000,000, were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small annuity spent for a Policy secures a larger amount of Cash Assets, and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

The Georgia Mutual

IS A HOME COMPANY.

Owned and conducted by Southern men. It employs its funds at home for the benefit of Southern enterprises.

IT IS THE PIONEER COMPANY OF THE SOUTH, in all the new and liberal features of Life Insurance, presenting advantages not offered by any other Company, note the following points.

1st. Low Rates of Insurance, with a credit of one third, the Premium as a perpetual Loan.

2d. THIRTY DAYS GRACE for the payment of all premiums, and the Policy held good for that length of time.

3d. Policies Non-forfeiting after the first payment.

4th. Policies indisputable from any cause save fraud.

5th. No restrictions of Residence, Travel or occupation.

6th. It is a Mutual insurance Company, ninety four per cent of the Profits are divided among the insured, on the contribution plan, and as money commands higher rates of Interest in the south than North or East, the probability is almost certain that the dividends will exceed those of Northern Companies, this reducing the premiums to their lowest actual cost.

7th. Under the Charter of this Company, Polices of insurance are not subject to the debts of the Insured. Polices in favor of a wife or children are payable to them or their guardians direct.

8th. This company issues policies guaranteeing six per cent. compound interest in addition to the insurance of the amount insured. Parties about to insure would do well to examine the tables and plans of this company before insuring in any other company. The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory its President, JAMES B. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.
